Henderson, NV 89015

Mr. Clough:

The Division has completed development of a draft for issue of National Pollutant Discharge Elimination System Permit # NV0024228 for the Nevada Environmental Response Trust (NERT) for the Pump & Treat Remediation Project to be located at 800 East Athens Road, Henderson, Nevada, for a period of five (5) years. EPA has reviewed the current draft.

Enclosed, for your review, are copies of the Public Notice of Proposed Action (NoPA), Fact Sheet, and Draft Permit. The Clark County Board of Commissioners will also be provided the NoPA and Fact Sheet. A copy of the NoPA will be published in the **June 19, 2017** edition of the **Las Vegas Review Journal**. The NoPA and Fact Sheet are also being sent to interested persons and government agencies on our mailing list. Further, the Bureau requests that the draft be shared, at your convenience, with all the personnel associated with this project from NERT.

Comments on the proposed action or a request for a public hearing may be submitted to this office for a period of thirty (30) days following the date of publication of the NoPA. The deadline in this office for receipt of all comments pertaining to this public notice shall be **July 18, 2017, at 5:00 P.M.** Should we find that a significant degree of public interest exists with respect to the proposed permit issuance, a public hearing may be held.

If a hearing is not required, the permit containing the final determination of the Administrator will be sent to you shortly after the expiration of the comment period. If you have any questions regarding the enclosed documents or the permitting process, please contact me at (775) 687-9432.

Sincerely,

Dear Commissioner:

The Division has completed development of a draft for issue of National Pollutant Discharge Elimination System Permit # NV0024228 for the Nevada Environmental Response Trust (NERT) for their proposed Pump & Treat Remediation Project to be located at 800 East Athens Road, Henderson, Nevada for a period of five (5) years. EPA has reviewed the draft. The proposed permit is to facilitate the NERT to comply with NDEP's Finding & Order dated April 12, 2016, which required the Trust to be ready to receive and treat the influent from dewatering activities associated with the construction of the Sunrise Mountain and Historic Lateral Weirs and to treat for the perchlorate removal.

Attached is a copy of the Notice of Proposed Action. I have asked the **Las Vegas Review Journal** to publish this Notice of Proposed Action on **June 19, 2017**. The Notice of Proposed Action and the Fact Sheet are posted on the NDEP website: http://ndep.nv.gov/admin/public.htm#water_p

Comments on the proposed action or a request for a public hearing may be submitted to this office during a thirty (30) day period following the date of newspaper publication of the Notice of Proposed Action, ending **July 18, 2017**. If a significant degree of public interest exists with respect to the proposed permit, a public hearing may be held.

If no hearing is held, we would expect to forward the permit containing the final determinations of the Administrator shortly after the expiration of the thirty (30) day comment period.

Please contact me at (775) 687-9432 or at smaligireddy@ndep.nv.gov should you have any questions regarding this draft permit or the permitting process.

Sincerely,

Sharada Maligireddy
